crazing resistance (steam) 150 psi	No affect, 1 cycle @ 150 psi	
breaking strength (6 x 6)	≥ 425 Lbs.	≥ 425 Lbs.
chemical resistance acid, alkali	Unaffected 24 hour test	

AE
ALYS EDWARDS
TILE & STONE

An extraordinary concoction of fourteen delectable colors, seven different sizes and two finishes. *Cosmopolitan* GLASS is a subtle blend of a cool crisp gloss glass and the frothy finish of frosted glass that creates that fine balance between party time and chilling time. Whether you want it with a twist, shak'n not stirred, or just plain dirty, it will make you want to slip out of the ordinary and into something extraordinary.
