clear green with veined beige

AECNICFLVB8
veined beige with clear green

**Nico
Mozaics**

AE
ALYS EDWARDS
TILE & STONE

Nico Mosaics tests the boundaries by mixing and matching different patterns to create original designs. It's all about breaking conventions and going with your gut instincts: what looks good, what looks right, and what you like. This collection shows off AlysEdwards passion for blending colors layering and splicing geometric prints, horizontal lines, and squares within squares together to create a very interesting juxtaposition between the Bohemian theme and Romanesque designs.

Monochromic Mosaic Fields 8"x 8"

AECNICMOSBK8 black
AECNICMOSBL8 blue
AECNICMOSCG8 clear green

AECNICMOSML8 melange
AECNICMOSVB8 veined beige
AECNICMOSWH8 white
